DANIEL PLAYERS ANNOUNCE '75-'76 SEASONS

KEYSVILLE - The Daniel Players, the community Little Theater group sponsored by the John H. Daniel Campus of SVCC, announce three productions for the coming season.

Opening October 16th will be Robert Bolt's stirring drama, "A Man for All Seasons". This 20th century Morality Play depicts the confrontation and ultimate martydom of Sir Thomas More at the hands of Henry VIII. Portraying the leading role of Sir Thomas More will be Dudley Sauve, director of the Daniel Players.

As its contribution to the nation's Bi-Centennial celebration, the Daniel Players are reviving one of the most popular entertainments of the Colonial Period, "Love in a Village". This comedy with music had a run in Colonial America off and on for over twenty years and was presented periodically in Williamsburg. "Love in a Village" opens in January as the first official event in the Charlotte County Bi-Centennial Celebration.

The final production, slated for April, is the Lerner and Lowe musical, "Paint Your Wagon", a wildly exuberant tale of the American Gold Rush.

The Daniel Players are inaugurating this year a policy of the season ticket, good for any Friday or Saturday performance, at considerably reduced prices.

The direct deposit of Social Security checks, made simple by Fidelity.

It's not how fast you get your Social Security money in the mail that counts. It's how fast you get it in the bank.

Because you can't earn interest and you can't write checks until it's safely deposited in your savings or checking account.

Now Uncle Sam has made it easy for you to beat the time-consuming runaround from mail to home to bank.

Now, every month like clockwork, your money can be credited directly to your account—automatically. There's no waiting for the mail, no running to the bank.

Everything is automatic. Questions? We'll answer some of the most important ones here.

1. How will I benefit from this new program?
Most importantly, you won't have to make a special trip to the bank to deposit your check—and you won't have to worry about the check being stolen or lost in the mail. And even when you're away from home, your check will be deposited for you automatically.

2. Can I have the money deposited in either checking or savings?
Yes. But by law your Social Security check must be deposited directly to only one account—either checking or savings.
Fidelity can, however, set up a system that will automatically transfer a specified amount every month from checking to savings. Just ask for details when you come in.

3. How do I sign up?
It's a simple form and we'll be happy to help you fill it out.

4. Is there any charge for this service?
No. It's completely free from Fidelity.

5. After I sign up, when will the bank start receiving my check?
Probably within a month or two. (Until then, your checks will continue to be sent to you.)

6. How do I terminate the program?
It's easy: just call your Fidelity banker and your Social Security office. You can end your participation in the program any time you want.

7. What if the amount of my check changes?
You'll be notified in advance and the full amount of your new check will be deposited.

8. I get payments from both Social Security and supplemental income. Can I have both checks credited automatically?
Yes. Just complete a separate form for every source of Social Security income.

9. My spouse and I receive a check jointly. Can we participate in this program?
Sure, as long as the account is in both names.

10. Can I have my check deposited directly to my spouse's account?
No. The account must carry your name.

11. Can my children's checks be deposited to my account?
If the checks carry your name as representative payee, they may be deposited to your checking account. If you wish to deposit these funds to a savings account, you must have a separate account for each child.

Want to know more? Just give us a call. We'll be happy to help.
